Inbox

Own department only · most urgent first, then oldest

All (n) | Received | Assigned | Answered | Closed

Priority	Subject	Reference	Depot	Status	Received
Urgent	**Ticket subject (link)**	KF-YYMMDD-NNNN	Depot	● Received	Date, time
High	**Ticket subject (link)**	KF-YYMMDD-NNNN	Depot	● Received	Date, time
Medium	**Ticket subject (link)** ⚠ Needs review	KF-YYMMDD-NNNN	Depot	● Received	Date, time
Medium	**Ticket subject (link)**	KF-YYMMDD-NNNN	Depot	● Answered	Date, time
Low	**Ticket subject (link)**	KF-YYMMDD-NNNN	Depot	● Received	Date, time
Low	**Ticket subject (link)**	KF-YYMMDD-NNNN	Depot	● Closed	Date, time

Click a subject → Ticket view. No submitter name (agents can't read profiles in Sprint 1), so show depot. "Needs review" = classifier confidence below 0.6. Empty filter → "No tickets with this status." Wide table scrolls sideways on small screens.
